Su Viaje Apenas Comenzo No piensen de que Ella se nos fue... su viaje apenas comenzo, la vida contiene tantas etapas, y este mundo solo es una. Piensen de que Ella esta descansando de tantas penas y lagrimas en un lugar plasertero y confortable, donde ya no hay dias ni años. Piensen como Ella ahorita estaria deseando borrar nuestra tristeza. Piensen en Ella viva en nuestros corazones, y de todos los que Ella toco, porque alguien a quien se quiere tanto, jamas se puede olvidar.
