“ Oh Hopie, is what we would say to her when she came over to the house to hang out. She was so kind with her word especially when someone was down she always knew how to make someone laugh in the middle of crying. Oh Hopie you and your mama will be greatly missed. We love you so much and we will see you again one day. Love from all of us in Roswell that knew you for you and loved you all the more. All my love Shaunee & Kaylee

“ I was deeply saddened to hear of Hope's death. I grew up with her
and she was one of my best friends. Unfortunately, we lost touch
over the years, but she was a great person and friend. My prayers
for her and her mother go to the family. Anyone who has gotten to
know Hope will have a void in their hearts.

“ *To the family of Hope Harris I am deeply sorry for your loss. I met her and watched her grow up while her mom worked at the health office. I was able to keep in contact with Lori and her family through Margaret Collins. Hope will be missed greatly, as her mom. There is a void in our lives since they have left. Prayers and love to you all. May God Bless*
