“ *Gerald & Amy, We are so sorry about the passing of little Layton. He was such a beautiful child. I know a little of what you much be feeling as I almost lost Dylan when he was 3 weeks old to spinal meningitis. There are no words to ease your pain, but I hope this poem will in some small way, help you. God Bless you both and may you find peace.*

O precious, tiny, sweet little one You will always be to me. So perfect, pure, and innocent Just as you were meant to be. We dreamed of you and of your life And all that it would be. We waited and longed for you to come. And join our family. We never had the chance to play, To laugh, to rock, to wiggle. We long to hold you, touch you now And listen to you giggle. I'll always be your mother, He'll always be your dad. You will always be our child, The child that we had. But now you're gone...but yet you're here We'll sense you everywhere. You are our sorrow and our joy, There's love in every tear. Just know our love goes deep and strong We'll forget you never-- The child we had, but never had And yet will have forever!
