“ I will miss my father in law dearly he was a great hard working caring man. We just didn't get enough time with him here on earth! He loved taking his grand kids fishing and spending time with his family. You were a great father and grandfather I will always treasure every memory I have and hold it close to me. I will always keep my promise in taking great care of your son! I'm so lucky to have had you in my life as long as I did. Rest easy Dad <3
