“ *Tio , you have always been a fighter your love was so pure and full. You showed us all you loved us in your own way and I appreciate that so much. You were the first person to show me how to change a tire you were so mad at me that I didn't learn, but you have always taken care of all of us. I will always remember you for your heart. One of the kindest, purest love. I love you Tio may you Rest In Peace. There's so much more to share, but that will be passed down to our kids and nieces and nephews. I love you Tio Leo. A legacy continues in your honor.*

Cousin Leo, I know I wasn't around much but the times I was I always enjoyed our conversations. You said we were Family & we should all get together more. In so sorry that we didn't. We all will miss You & love You until we see You again. You had a great heart for the Lord & others & I know God will give You your rewards in Heaven. Until we see You again enjoy Heaven & Our Lord.
