“ I grew up in Roswell, across the alley from the Byrd family. We lived on Poplar, they lived on Mulberry.

*My father worked with Mr. Byrd at NMMI for many years and I have a lot of fond memories of the Byrd family especially when we'd all get together for a game of football in the middle of the street. I remember Leroy preferred baseball but we didn't have an area big enough to call it a baseball field.*

*I'm sorry for this loss and send my condolences to the entire Byrd family during this time.*

*God bless each and all of you.*
