“ Love you Dad and will never forget our conversations, the time spent together, the cards you sent me, you trying to teach me to two step, and the cassette tape you made for me that I still have of you playing your guitar and singing all those songs for me! Fathers Day is a few days away and I will miss you more than you could have ever realized. I am comforted in knowing you are with Norma Jean, Grandma Eva Mae, Aunt Bobbie, Aunt Doris, and everyone else that was waiting for you when you got to Heaven!
