Michelle Hendricks! Her niece. - February 06, 2025 at 03:05 PM

Mom was a wonderful, compassionate, strong person and a single mom who raised my sister and I to the best of her ability. She never let us go without, never let us down. There is an emptiness now and only she can fill it. We know she is finally at peace and happy. When she loved she loved very much and my sister and I will always miss her, always. She's in a better place and that is what is getting us through this. Rest In Peace mom. We love you so much 🙏❤️
