“ *Linda was like a breath of fresh air. She always had a smile on her face, and loved to be around people. She always gave and thought of others before herself.*

One of the highlights of our visits to Roswell, was to make sure we got to see Linda. She always had a way of making you feel special. Linda loved her church family more than life itself. I know God has rewarded her for all her good deeds and faith.

We will miss her deeply, but we know she is in a much better place with no pain and suffering.

There will always be a special place in our hearts for Linda. We love you.

“ *Linda was my only grandma I knew the best she taught me many crafts and hobbies. In the six years we have come closer than ever. I was away from her for a while but she was always on my mind everyday. My grandma has touched my heart in that I will never forget. She was the biggest part of my life and I am truly going to miss her but I am not going to weep over her absents. She is resting and spending time with our family members who have passed. I will dearly miss my grandma and keep her in heart and thoughts. For everyone who knew her Thank you so much for helping her when she needed it most and for just being such a good friend to her.*

“ I knew Linda and Howard quite well, when she lived on Gallina Rd. I visited often, and Linda asked me to be a pallbearer when Howard passed away. She was a sweet lady, great smile and warm personality. My sincere sympathy to all her family and friends. Terry Turner

“ To all who knew my Grammy: From the time I was little my Grammy has always been the most strongest sweetest woman GOD has put here on earth, although I was not often with her or had many of opportunities to go see her, she has always been in my thoughts and my heart. Although she had suffered many of years with her sickness, I know that she is so much more happier to be where she is now. I will forever keep her in my heart, and will never forget her. I will always love you Grammy, (most, best, always and forever!) Forever in my heart, love always: Aunica
