Her Journey's Just Begun...

Don't think of her as gone away-

Her journey has just begun.

Life holds many facets.

The earth is only one.

Just think of her as resting

from the sorrows and the tears.

In a place of warmth and comfort

where no days and years exist.

Think how she must be wishing

that we could know today.

How nothing but our sadness

can really pass away.

And think of her as living

in the hearts of

those she touched.

For nothing loved

is ever lost,

-and she was

loved so much.
