“ *God gave you the soul of artist and a warm loving heart.
You lived everyday fulfilling your part.*

*A daughter, sister, wife, mother and friend. You became a
grandmother and great grandmother with happiness and joy, your
eyes lighting up when you saw that precious little girl and boy.*

*You left us too soon; it saddens our heart, but God has a new plan
for you to start.*

*You'll walk in the clouds with loved ones who've passed, making
your journey down that new golden path.*

*We'll miss you forever, our love will never end, for you were our
sister, our wife, our mother, our friend.*

(For my sister) Love you, LS
