“ Miss Lori will always be a part of our family, so many people would react to the videos we posted of her working out, commenting on how inspiring she was, how impressive she was and adding words of encouragement. As impressive as it was to watch her, her positive, fun loving and subtle wit made it more enjoyable to work with her. She was so sweet but she could throw a punch, and with a smile on her face! She loved her daughter, her fur babies and her church. She beamed when speaking of them. My favorite was dancing with her, just two girls, hanging out, dancing as we exercised, not always in beat, but always having fun. After every workout she would always give me a hug before she headed home. I will miss her, and those hugs!! Rest in peace sweet sweet angel Miss Lori 💙🦋
