September 16, 1968 - January 8, 2018

Lorraine G Hinojos, 49, went home to be with Our Father on Monday, January 8, 2018, at her home in Artesia, NM. Services will be held on Friday, January 12, 2018, 6:00 PM, at Forever Free Fellowship, 801 W. Grand Ave, Artesia, NM. Celebrate Lorraine's life by visiting www.andersonbethany.com to offer a memory or expression of sympathy for her family.

On September 16, 1968, Lori was born to Francisco Hinojos and Oralia G Hinojos in Artesia, NM. She was a life-long resident of Artesia, NM. Lori was beautiful inside and out, loved by so many! She was battling kidney failure and fought a good fight!

Those left to cherish Lorraine's memory are her father, Francisco Hinojos of American Fork, Utah; most loved treasures, whom were her three daughters: Oralia Rocha and spouse, Felix Chavez, of Dexter, NM; Erica Reza and husband, Miguel Garcia, of Hagerman, NM; Santana Robles of Artesia, NM; brother, Daniel Hinojos; sister, Sylvia Hinojos of Pleasant Grove, Utah; and five grandchildren: Mikayla, Mercedes, Sergio Jr, Ezequiel and Ezstrella. Preceding Lorraine in death were her mother, Orala G Hinojos; and sister, Corina Hinojos.

"WE LOVE YOU MOM, GRANDMA, AND SISTER"

Lorraine's family lovingly wrote this tribute in her honor.

Sylvia and Danny and all of Lori's children and other family please know that you are in my thoughts and prayers. May God heal your broken heart. I would like to be with you during your time of grief but I just recently had major surgery and am mostly homebound for now. Lori, I will always remember your sweet smile and the way you always made everyone laugh. I can just imagine your mom and Corina smiling and waiting for you with open arms at heaven's gate. RIP.

“ This is for her children.....I can only imagine the feelings you have had to endure. the pain and the sadness there's no comfort no cure. AMother is a pillar in life that stands tall and proud.a mother's love is a heart unbound. Through the new through the old for the tough by the rough. All of you will bind together and pull each other up. Time is of essence and time don't wait. It has no conscious only carries a Fate. I pray for courage and for almighty strength. One day at a time no matter the length. Rise above together and heal your wounded hearts. Stay close and don't drift apart. Today is here yesterday gone.. tomorrow will come it won't be long. Days will come and weeks will go. The time will heal the time will show. I pray for you girls for the long road ahead. May God be with you all is enough said.
