

Louann Metcalf

February 7, 1943 - January 4, 2018

Loving wife, mother and grandmother, Louann Metcalf, 74, passed away on Thursday, January 4, 2018. A Graveside Service will be held Monday, January 8, 2018, 2:00 PM at South Park Cemetery. Pastor Danny Sons will officiate. Celebrate Louann's life by visiting www.andersonbethany.com to offer a memory or expression of sympathy for her family.

Louann was born in Hagerman, New Mexico, to Dolphus Ray Allen and Bertha Mae Harman Allen on February 7, 1943. She attended Roswell High School and graduated in 1961. After graduating high school, Louann began working for the government as a civil servant for over 50 years. Over the last 20 years, she worked for Wildlife Services.

Louann married the love of her life, Martin (Johnnie) Metcalf, in Hagerman in 1960. Louann and Johnnie had one son, John Allen Metcalf. She loved being his mother and doing everything she could to make his childhood as special as possible.

Living in Roswell her entire life, Louann enjoyed being around family and friends and would do anything she could to help others. She was the most giving person anyone could ever meet.

In 1999, Louann was blessed to see her son marry Tracy Woodard and become an instant grandmother to her only grandchild, Victoria. Louann loved spending time with Vickie and spoiling her only granddaughter as much as she possibly could. She thought the world of her and Vickie loved her grandma just as much in return.

Louann lived with diabetes several years of her life and for the last few years suffered from liver and kidney damage from this horrible disease. She fought hard daily, and wanted nothing more to than to live every day for her family. In the end, diabetes won and gave God another angel. We know that she is no longer suffering and is enjoying being with her father again.

Those left to cherish Louann's memory are her loving husband, Marion Johnnie Metcalf; son, John Allen Metcalf and wife, Tracy Dawn Metcalf; granddaughter, Victoria Amethyst Metcalf; mother, Bertha Mae Harman Allen; and loyal pet, Weston.

Preceding Louann in death were her father, Dolphus Ray Allen; grandparents: Clarence & Ethel Harmon, Oscar & Annie Allen.

The family would like to let everyone know that you may visit Louann's family at Anderson Bethany Funeral Home on Sunday, January 7, 2018 from 2:00 to 8:00 PM.

Louann's family lovingly wrote this tribute in her honor.

“ *I was so saddened to hear of the passing of Louann. I worked for Wildlife Services for seven years and it was there that I met Louann. We conversed weekly and she always made me laugh. She was so kind and generous. For Christmas she would always bring gifts to the office for the ladies and I have a blanket that she gave me that my family still fights over. Thinking of Louann I am reminded how funny she was. I also loved how she liked to dress up. She always had stylish shoes and the purse to match. ❤️ To her family I wish you peace and strength as you go through this sad time. God Bless and be with you all.*

“ To Louann's family, I am so sorry for your loss. Louann truly was a beautiful person. I had the pleasure of working with her over the last 5 years here at Wildlife Services. Only seeing her once a year but speaking to her usually weekly. Exactly like her obituary said, the most generous person you could meet. Brought happiness to her to bring the ladies in the office a Christmas gift yearly. She loved talking about her granddaughter as well as the rest of her family. She was so proud of her loved ones and you could hear it every time you spoke with her. So grateful to have known Louann and will miss her dearly.
With love, Candace

“ I am so very sorry to hear about Louann's passing. I have such fond memories of spending most of my childhood years with the Metcalf family. Louann was always there with a big smile and a great laugh...she was a lot of fun to be around! I remember almost breaking her GameBoy playing Tetris with her for hours on end. She would often stay up late with us playing John's Nintendo (she was the best Zelda player!). I smile when I remember all the roads trips we took...Louann was always there with us, telling jokes and picking at Johnnie until he would get so mad and then she would look back at us and wink as we all laughed so hard. Louann even braved the front yard with us boys and let us practice our baseball pitching to her...I can't even count the number of times I accidentally hit her with my wild pitches, but thankfully she never chased me with the bat! Louann was always very kind and was always very easy to talk to. She was also an amazing cook...I spent many nights sitting at the dinner counter sampling her food. I loved coming over and hearing Louann tell me about the latest hilarious behavior that Bronson was up to...I still crack a smile when I think about Elvira. Louann was an amazing lady and I will miss her, but will never forget her. - With Love, Charlie

“ LouAnn was truly an angel from above. She was all about helping and doing for others. I would see her when she would come to the shop to get her hair done. And believe me,,, she would not miss it for the world. Always happy and concerned for others rather than herself. Such a selfless woman. We will miss you dearly Loann. My prayers of strength and comfort go out to this family. She will forever be missed. Sincerely, Cheryl and Tim Wafful
