You didn't deserve what you went through, So He gave you rest. God's garden must be beautiful, He only takes the best And when I saw you sleeping, So peaceful and free from pain I could not wish you back To suffer that again. Auntie Olie, When God called you into his kingdom, tears fell from our eyes, we hurt knowing we have to say our goodbyes. Parting from you is such a sorrow, this shows we are not promised a tomorrow, but we know where you are is not very far. With pain in our hearts, its hard to see, but indeed, in heaven is where you're meant to be. A little prayer, a little thought, we will surely miss you a lot. Until we see each other again, we love and miss you dear mother, sister, Auntie, cousin, and friend. Your great-neice, Cherish Garcia
