“ *My beautiful Aunt Lucy was an amazing lady! She always had a smile on her face and full of life. She was a very strong, courageous, independent lady that enjoyed each day to the fullest. She was in my life for many years and was always there to listen to me and always guided me in the right direction. We had many adventures and lots of great family times! I will miss her dearly! Holidays will never be the same again... We would always say (Here comes Aunt Lucy lets roll out the Red carpet) I know she is in a better place and not suffering any longer! She is my Guardian Angel ! I love you Aunt Lucy with all my heart and soul! Love always your God daughter Gina Grado*

My beautiful Aunt Lucy, how you are missed so dearly. I am very blessed to have had you as a strong, independent woman to look up to. You would always say "I am a survivor honey, and I will always admire the positive spirit and outlook you had in life. I will forever cherish all the memories we made, the road trips, the long talks on your couch, the dancing in your kitchen, the laughs and the cries we had with one another. I will miss hearing your life stories and being able to call you and talk to you while I am traveling to work. Thank you for always listening to me, giving me advice and instilling your wisdom in me. I sure will miss having you at all of our gatherings and most of all you seeing your beautiful smile and spirit that radiated among us when you walked into a room. You were and always will be dearly loved. All of your loved ones were there with you until the end. You are no longer suffering and are with our loved ones in Heaven. Aunt Lucy you will always be with me, my beautiful Angel. I love you so much darling! Love always, your niece Angela Gonzales! :)

*My dear Aunt Lucy, Lulubell, this is Dingy Lu, wanting to express my love for you and let you know how much I will miss you. The every week trips to see your Dr's, the phone calls the fun and crazy times we have had for many years. We go way back when you and Uncle Harry lived here in Roswell. I hope you have seen Pludy and Sammy. They always took you to the beauty shop on Fridays. Give my grandma Luciana and my grandpa Joe a big hug for me. Tell my mama and Lily and Manuel that I miss them sooo much. Tell Manuel not to be putting the saddle backwards on your horse. Tell all my aunties I love them and my Grandma Reyna as well. Last but not least give Uncle Harry a big hug. Miss you bunches,
Irene Garcia, your niece and maid of honor and comadre.*
