“ *We look at the night sky in the quiet of darkness, and they are never far. Those we have loved and cherished, those who have changed our lives in some small or profound way are closer than we know, because it is their light that shines on our world. It is the brilliance of their souls that makes our night sky glow. May peace shine down upon you and bring you comfort.*

I'm sorry about your loss, my thoughts & love are with you.
