

Luis Carlos Bravo

May 17, 1966 - May 30, 2020

Luis C. Bravo, 54, left this world hand in hand, with his Lord and Savior and passed away peacefully surrounded by his mother, Ofelia, and sister, Juana. He passed away at University Medical Center in Lubbock on Saturday, May 30, 2020. Luis was born on May 17, 1966, in Delicias, Chihuahua, Mexico, to Ofelia Bravo.

Luis was extremely loving, caring, and giving to all. His girls remember the man that took them everywhere. He was a type of man that would pull over to help a stranger in need, that would give you his last \$5, even if it's all he had left. Luis was also a very forgiving man; when he would disagree with someone, he would easily forgive them and talk to them the very next day. He always wore a smile, and it was a smile from ear to ear. Luis was very social, and there weren't very many people he didn't know as a stranger and would talk to you as if he knew you for a lifetime.

Luis graduated from Roswell High School in 1984; right after, he proceeded his work career as a diligent worker and was a man of many trades. He worked for Air Gas, Coca Cola Enterprises, Automatic Vending, Wakefield Oil, and 5C Construction.

Luis enjoyed spending his past time being with his family at family gatherings and playing in athletics such as softball, football, and basketball. He was very athletic and competitive. His favorite team in the NBA were the Lakers and in the NFL were the Pittsburg Steelers.

Mark "Marky" Villa was Luis's best friend since their childhood years. Mark

was his best man in his wedding. When Luis needed a friend to talk to, Mark was there to listen. The girls always remember growing up, Mark and Luis were always joking around, making fun of each other all the time like schoolboys. They had a special friendship and bond that will never be forgotten.

Luis also had a special relationship with his mother-in-law, Rufina Sosa, who she referred her to as "Moms." No matter what he did, she welcomed him with open arms. She referred to Luis as her own son.

Those left to cherish Luis's memory are his daughters: Angela Collier and husband Justin, Ashley Bravo and Nahum Saenz; grandchildren: Xavien, Nevaeh, Sariah, and Derek; mother, Ofelia Bravo; brothers: Jose Bravo and wife Lupe, Refugio "Cookie" Flores, Ramon Bravo; sisters; Delfina Arias and Juana Bravo; as well as numerous nieces and nephews and great-nieces and nephews.

Preceding Luis in death are his grandmother, Margarita Patricio Bravo; brother, Lorenzo Flores; uncle, Luis Bravo; cousin, Margarita Bravo; and his mother-in-law, Rufina Sosa.

Luis will be dearly missed by his family and friends, and he will forever be in our hearts. Luis's mother, Ofelia, and sister, Juana, would like to give a special thanks to Moody Neurorehabilitation Institute in Lubbock, Texas. Mary, Sam, and Amber loved and cared so deeply for Luis. Your significant support in the past five years of Luis's life will always be remembered, and we thank you again for being there during this difficult time.

Pallbearers will be Jose Bravo, Refugio "Cookie" Flores, Ramon Bravo, Derek Bravo, Jose Jr. Bravo and Mark Villa.

Honorary pallbearers will be his four grandchildren, numerous nieces, nephews, great-nieces, and great-nephews.

“ *Lu is someone I will never forget and always hold close to my heart. My name is Bri Ortiz and I worked the 2-10 shift at Moody Neuro-Rehabilitation for just about two years.*

My most favorite memory of Lu was when he would dance with me in the dining room after dinner to the song "Suavamente." That was our song :) He always had the most genuine laugh especially when he would watch fluffy on TV with Elida or would hear my terrible singing skills on our walks around the neighborhood. He loved telling me about his daughter, Ashley, and I enjoyed listening!

One day I noticed the rosary sitting on his desk someone had left. From that day on, He allowed me to pray the rosary next to him every shift before bedtime. I could see this light in his eyes, the goodness in his heart radiated in those moments. Today I am a student at the Texas Tech Health Science School of Nursing. He was one of my many affirmations as to just exactly why I am going to be a Registered Nurse. Lu is a once in a lifetime person and I will forever be grateful for our moments shared. That is one soul I will be excited to see again, AND wow I am so thankful that our paths crossed on Earth.

Bri loves you Lu Lu, you were made for Sainthood!

Mother Mary, Wrap Lu's family in your most holy and precious mantle. Amen.

“ It was an honor and privilege to care for Luis. We miss him so very much. I loved his smile, loved how he loved to laugh, and of course I was always excited if he laughed at my corny jokes. Remembering him will always bring a smile to my face and bitter sweet tears to my eyes.

I'm remembering the last time Ms Ofelia and his Tia came to visit him. He sat outside in the back patio with them and I could hear him laughing frequently during the visit. It made my heart happy to know the three of them were having such a good visit. I'm also thankful he got to call Ms Ofelia on Mother's Day and wish her a good day.

Juana, you and Miss Ofelia did a great job looking after Luis and he know he loved and appreciated you so very much.

Prayers for all of his friends and family as I know you miss him more than words can tell. Although it's sad for us who have to continue on without him, It brings comfort to know he is with the Lord. He's better now than he's ever been. Much love and prayers to all of you.
