“ TO MY SISTER LUPE HERE IS SOMETHING I WOULD LOVE TO TELL YOU AND ALL MY LOVE NIECES AND NEPHEWS. Lord God, we cannot even begin to dream about how wonderful and breathtaking Heaven is. Lord, thank you that you look at me and see something totally different than the image that I have of myself, when I look in the mirror. Thank you Lord, that you see the beauty inside of me. Thank you Lord, that you love me and that I am precious in your eyes. Lord, it takes my breath away to even think that you can love me. What a gift of mercy and what a privilege to be loved in this way. Lord, take away all the judgment, hatred, strife and distorted images that we have of people and circumstances from my body, mind and soul. Lord, empty my being of all that is of this world and make it full of everything of You. Lord, touch my eyes and ears so that I can look at people, circumstances and things around me and see, hear and smell Jesus. Lord, make me super sensitive for your presence. Lord, fill me with knowledge, wisdom and insight, so that when I live, it will bring glory to You. Lord, let everything of me and my life, my words, actions, etc glorify you. Lord take my life and let Your will be done over your me, on earth as it is in Heaven. In the Name of Jesus. Amen. FROM AUNT LINDA AND FAMILY

“ Although my wife & I did not know Mrs. Lopez, we are acquainted with her son & his wife, Tommy & Carol Vallejos. My wife suffered through the loss of her mother last year, and together we learned how very difficult it is to deal with the grief. However, it is especially comforting for a grieving son or daughter to know that their parent was saved. With mixed emotions, we grieve the loss of them from this world, yet also celebrate their entrance into the eternal one above. We pray that our Lord comforts the hearts of your entire family, but that he also gives you His peace in knowing that His promises of eternal life are true. God bless you all.

“ *To the Vallejos family;*

*There are no words to express the emotional sadness to hear of your mothers passing. The beautiful woman who was so close to our family for which seemed all our lives. Please accept our deepest condolences.*

*Lord, I come to ask that you provide the Vallejos family with strength and comfort in their time of need. I pray that you help each of them maintain their faith in you during this difficult time as you are the only one who can provide peace like no other. Also father God, provide them with assurance that she is now in your arms where she will forever be without suffering. She has definately earned her wings...*
