“ My prayers and deepest sympathies to Uncle Luthers family. Uncle Luther was one of the most favorite people in my life. He could always make me smile, even today just thinking about him brings a smile to my face and a lot of happy memories. I can remember even as a very young child, that he would always let me rub his head. His hair was always so short and soft. He will be greatly missed by all who were fortunate enough to know him.

“ First of all I am very sorry for your loss, but I am rejoicing in the fact that Luther is with Christine again. I want to tell you I have enjoyed having coffee with Luther for many years. I looked forward to him coming in the lumber yard and the office with his smiling face. He was able to brighten any day with just his presence in a room. Even when he needed to chew on you, he did it with a smile. You should be very proud of the man he was. God bless you all and our prayers for healing are with you.
