“ *I was deeply saddened when I was informed that this beautiful and wonderful person had passed. She touched my life very briefly, but in that short time we quickly became friends. I will always remember her gentleness, kindness and generosity. Thank You so Very Much Luz, it was an honor knowing you. For the Armendariz family my deepest sympathy and condolences. This is not an easy time for you. But just think of her as being asleep. And whenever you think of her, it's simply because she is thinking of you as Well!! Keep her in your hearts!!*

“ *Knew one her family members: Segundo as a fellow art club member at RHS.
Am somewhat at a loss for words.
Upon reading Luz Maria Delgado's obituary. I got the sense that this angelic being of the person she was;has been through alot, yet has prepared the way for her children the precious flowers that are still growing. She will be looking down from heaven around the throne with anticipation, knowing she has done well for her family.
May the strength of El Senor Jesus Cristo be with all who are enduring this race of Humanity to carry over as she has with Kindness. Truly an Angel of God's service.
In His Faithful Service, Victor Madrid*
