“ *To Lucy family my deepest condolences. Lucy and I were good friends all through school. She was such a good person. Everytime I was in Roswell and she worked at K-mart I would go mess with her. I would call her name and than hide she'd be looking all over for me and than she'd snap and say Delphie I know its you and we would both start laughing. Those were the good old days. Sure is sad to hear she has passed on but I will always remember her.*
