“ My prayers are with the family. May God comfort your hearts and give you peace.  
As I would see Maggie in church I watched how much she loved God. She was a great example of how a true follower of Jesus Christ is supposed to be. She is in a better place but her love for God will be a constant reminder for all of us. If I would describe Maggie in one word it would be "Peace." She always had such a sweet spirit. All she had to do was smile and she would make you feel better. I will miss her but I know she is in her paradise.
