“ *Uncle Manuel one day out of the blue and Gave some of us a hundred a piece. ..I was supper happy....he said it was his and he was giving me some of it ....we didn't drink tho much but we ebbed up going on a stroll through town and enjoyed the weather. Later on I found out he had pulled all the money out and randomly gave out. Turns out that was his bill money. ....Uncle Manuel had a very kind heart. The last couple of months he called me a few of times*

*On behalf of the Eucharistic visitors to the sick and home bound of Sacred Heart Catholic Church in Clovis NM he will be greatly missed. He was one of our very favorite residents that we took Holy Communion to on Sundays. Manuel was a true gentleman and was always respectful of others.He had a very deep faith which came through when we would pray with him. His drawings showed where his heart and mind were and that was with his Lord.My two favorite memories of Manuel are the way he would cut out gold paper crowns and glue them on pictures of Jesus. And the way he always referred to Jesus as " the son of God". This was a very fine man and I say to his family members " how blessed you were to have had him in your family".
