“ I knew Manual from the Home Depot and from the NM Dept. of Transportation. Always was ready with a funny store or just a friendly hello. One of the smartest and quick to help any one I knew. To his wife and kids, I am sorry for his loss.

“ My condolences to Terry and family. Knew Manny from the Guard. Got to work with him mechanicing at the dealership. He was a pleasure to work with. I gave him a lot heck at first, He took it at always gave it back. I respected that in him for that.. We soon got along good were good working buds. I hated to see him leave for another mechanic job. Nice to be able to visit him at the Depot gardening department. Always had a smile and was happy to help. I am a Cowboy fan also, but not like him. Good man
