“ *I worked with Marcos for almost 10 years. I looked forward to seeing him every day. At first he was my smoking buddy. We would stay out side and he would tell me about growing up in Mexico and working for 2.00 a week. He would also talk about his kids, and how much he loved them. I saw. Him about two weeks ago and I promised him I would quit smoking and I have for him. I will miss him so very much. Rest in pease my friend.*
