“ *I had the privilege and honor to have known Marge and Ed when I bowled with and against them at the Town And Country Bowling Center in Roswell, NM. She was a very fun person. I would often tell the story of Marge's bowling ball approach and delivery onto the lane (short steps and simply dropping the ball onto the lane; it would roll from the momentum of her approach and she would get "strikes"). It was amazing and I loved to watch her in action.*
