“Condolences to family and friends, she was my teacher at Mt. View, she would help me buy the school newspaper, I didn't have any money. She was a great teacher. I would see her at the zoo, many times, when I worked for the city

“At First Christian Church “Mrs. Peggy” was my Sunday school teacher. She had the best candy selection for winning our Bible drills. Each summer we would go buy school supplies as a class to donate to a local school or charity. Mrs Peggy grew my knowledge and love of the Bible and also showed me how to live it out through generosity. So thankful for her life and influence during my formative years! With love, Taylor Harris

“ I believe Mrs. Kyser was my New Mexico history teacher at Mt. View Middle School. I remember one of the projects I had to do in her class was make a Kachina doll when we were studying New Mexico Navajo tribes. She was a great teacher. Sending prayers to her family. Rest in peace.
