“ I had the privilege and blessing of meeting Margaret in person last year, although I have known of her pretty much my entire life. She and her husband, Jimmy, have been lifelong friends of my father, Thurman Babb, since they were all in their early twenties.

Growing up, any time Margaret was brought up in conversation by my dad, it was always with a smile on his face and a warmth you could feel radiating from his heart. He would also usually end any story with, "Boy, I've sure eaten a lot of good meals at Margaret's kitchen table, too."

I will forever be grateful for the way Margaret and Jimmy welcomed my dad into their home after the passing of my own sweet mama. He was so lost, and they reached out and invited him to move close to them, giving him a new sense of purpose and belonging. That isn't the kind of gift I will ever be able to repay. But I will always be here for Jimmy, Bernie, Matthew and the rest of the family to offer them the same comfort, peace and support they so generously gave my dad and me, as they try to navigate this new, difficult chapter of their lives.

I would like to end with this last thought: Love never dies. Our physical bodies may wear out and be left behind, but the soul, the spirit and the love we felt for special people in our lives WILL LIVE FOREVER. It's just a less tangible relationship, but it's there just the same -- and it always will be.

My thoughts and prayers are with the Sedillos. Love, hugs and friendship forever ...

“ My deepest sympathy to the Orosco family. Our family grew up with them in Artesia. I remember Margaret when she & Julia would get together at Pilar's home on the corner. The 'hood will never be the same. May Margaret's siblings find comfort in each other in knowing that the eldest truly was one of a kind.

“ We have known James and Margaret since James and Bill served on the APD together, and that was at least 50 years ago. Margaret was such a sweet and loving person. I know she will be missed greatly, but just know she is celebrating with her parents and daughter and you will see her again one day soon. Condolences to James and the family. “ Our deepest and sincere sympathies James and family I left New Mexico when Margaret just had Jamie and we lived in Albuquerque Jamie and my son Don were both born about the same time and I have pictures of Jamie and Don in a playpen. Margaret would come to my house and spend the day with me and the babies I loved her so much but my husband being in the service we soon moved away and oh did I miss Margaret she was like a sister at that time but even before then when we both lived in Artesia we just lived across the street from each other I always said we were kin and we may have been we were always together as kids. I wish that I could have made the trip but it is just to hard for me to drive from Chattanooga, Tennessee but my love and prayers are with you and your family. I don't know if you will remember me but Orlando Trujillo was my brother I am Betty Trujillo Roberts.
