“ Margie, I'm going to miss our little pep talks you were always so happy no matter what you always had a smile on your face and you were the realest person you didn't care you said what you felt and what was on your mind and I loved that about you. It's going to be hard not seeing you around. I just seen you last week for the first times in a couple of years I wish I could have visited with you more. May you RIP and my prayers are with the family. Margie was one in a million she will be very much missed.
