“ *Hello to All, I remember how devoted Margaret was to my brother, Don. There is comfort in knowing that they are together now. Some of our best times were the times in Cheyenne, WY, when Don, Margaret, Marilyn and I went to Frontier Rodeo Days with our Aunt Pete. And--certainly not a best time, but after Aunt Pete died, the four of us cleaned out the house and had an "Estate Sale". There was sadness, but it was also a good time for us to share time. Love, Duane & Marilyn.*

“ *Kathy and boys,
I remember your mom with her quiet countenance and delightful smile from when we were kids. She always gave us this expression when we came in with a strange request or ask permission to do something. (I'm sure she knew we were up to no good or where trying to persuade her to let us do something.) She loved us anyway just as we were. She would let us learn from our mistakes. I know it must of been hard to care for her these last few years and I know she is in a must better place where things are not confusing and there is no suffering.
Our love and prayers are with each of you as you are together this weekend. We will be thinking and praying for you. Love to all of you.
