“ *I loved going to Margie's and OC's house to deliver fresh eggs - our conversations were always fun and light-hearted. Margie was a sweetheart and loved her family dearly. She will be greatly missed by all that knew her.*

“ *For me, memories of Aunt Margie are of her slow sweet drawl, kind words and always-delicious cooking, baking and canning -- oh those yummy fruit preserves she would make and send home with us in the trunk of the car. It makes me sad that my granddaughters will not know her special qualities firsthand, but when they're older, we can share our wonderful memories of her. I have a great picture of her in my bedroom that was taken with my sisters, Mom and Grandma Barker; seeing that photo always brings a smile.*
