“ You are a great wife and mother

“ Oh my beautiful Betty, you were a ray of sunshine. You always kept us on our toes, kept us thinking positive. You made us see the good in everyone, even the evil ones. You loved your babies (Salayandrina and Remigio) as your own. You took care of us and helped us with every event our babies had. You were always there for their big moments, always meet up for the Fair Parade, this year wasn't the same cause you weren't there. I love you and I know when you found out you were pregnant with Genesis. And we would go visit you and baby girl in Albuquerque and we got to take you both finally home. You always made room for us especially my babies (I mean your babies). You made life worth living. I will dearly deeply miss you my loca. Rest easy, and know you are in a peaceful place. Love you!
Always love,
Remigio, Salayandrina and Daniel and Cimi

“ So very sorry for your loss 😞 May God bring you comfort, peace and strength. I will always remember getting ready to leave work and passing by Maria coming to work. She always had a beautiful smile (plus smelled really pretty) and we would say Hi to each other. Such an amazing woman! She will be missed. I will be praying for you all.
