“ *Mi querida Tia "Chole" was the nicest person you will ever meet. She opened her home and heart to everyone. Now God has opened up his arms to her. She always enjoyed spending time with her family and always put others before her. Family get-togethers will never be the same without her. Thank you for all the great memories and the love you always gave. You never wanted to leave your husband's side and I think God knew this. I can picture you right now walking hand in hand with My Tio and Juan. Love you Tia may you rest in peace. You will be deeply missed but never forgotten.*

“ *It was great to share 51 years of my life with my compadres Chole , Manuel and family  
Right now is very sad to say good by for a while but the memories we had will never go away.  
It was great to have them here every winter. It was not Christmas at our house if they were not here. The whole family would get together and had fun In the summer we would go to their house and enjoy that very much.  
As some people journey through life they leave footprints of kindness and compassion  
joy and faith . Even when they are gone the trail they left behind will stay with us.*

*I am very very sorry for your loss*

*I love you very much*
