“ *Hi..I just want to express my sympathy for the loss of Marian. I met Marian at Home Depot where I currently work. We talked about her cancer and I felt so bad that she had to go through all she did. I really admired her strength, courage, and her beautiful smile. Her wonderful husband always by her side. I know she will be missed by many. She left me with some of her strength and compassion. I only regret that I did not get to know more about her. She will always be in my heart.*

“ I have known Mama and Dale for a long time and they are just like my grand-parents to me, I just love them both so much. I have worked at Charlie's Rest. for several years and you could always count on them to be there everyday and I would always make mama her a bowl of fruit, and she loved kids and would take pictures of every child that was in there, she was so sweet and loving, and was always bringing animals or hats to give out. Dale was her love and depended on him for everything, I feel for him for not having her, last year for her birthday we made her a cake and gave her a large basket of all of the things she used or ate and man did she love pudding!!!! I gave it to her weather she ate her lunch or not and it made her day. I so wished to be there. and my heart just hurts that she is not with us anymore, but I know that she is in peace now and he can join her again in the future and she will be waiting with open arms. I love you both and and my prayers are with you and your family, I'm so sorry I can't be there!!!!, My heart hurts not to be there to give them a big hug and kiss, but you are in my heart and always will be.... I LOVE YOU, LYNETTE
