“ I was blessed to meet Marilyn at Sunset Villa. I had the opportunity to talk with her and share laughter and even tears. She told me she collected teddy bears, and it just so happens I do too. I brought her my favorite pink teddy bear and she was filled with joy! I felt a strong bond with Marilyn and i will miss her. She is now in a better place and that is a comfort to me. Her family is in my prayers.

“ Dear Tonya and Anita,  
Heaven is a little richer this morning with Marilyn residing there.  
She undoubtably had the sweetest spirit of anyone I have ever  
known.  
I know you are saddened by her passing, but also know that you are  
glad that her suffering has ended.  
I pray that God's peace and comfort will rest upon you these coming  
days.  
Sincerely, Deanne Gruben

“ As little girl's we used to play,eating crackers and raisins and most  
everything else along the way. We never fought, we never cried we  
had our own little world with very much pride. A puppy dog wagging  
it's tail, we let it follow but we would never tell. Memories come then  
fade away but they'll always be our own memories of our special  
little day's. Your cousin Brenda
