“ So sorry to hear of Marion's passing. She was a great sister in law and friend. I know she will be missed by everyone. Thoughts and prayers are with her family.

“ We are sorry to hear of your family's loss and we are thinking of you. Marion was a special aunt! Her home was my second home, but some of of the visits did end in mischief..... like the incident with the Chemistry Set! I always enjoyed helping (picking) on her - like helping her through the snow and some how her boots ended up full of snow! As the years went by we enjoyed her phone calls to keep up on family happenings. She will be missed! Les and Linda
