The Next Dance

“The man, the myth, the legend, Mr. Marley.

From every mouth rings your name.

It is all music, and though it may not be the same,
we know Mr. doesn't have two left feet.

No matter the tone or rhythm, Marley,
we know you will catch the beat.

I know you have danced your way out of my arms,
but now for you there will be no harm.

Connect with our family who passed before you,
those eye lashes are your charm. And until the next dance,
the thoughts and pictures, and memories of you
will keep us warm. May we love each other more
in the next dance scene.”

To Marley

From our loving family, 3/24/2020

“ *Marley,
Sweet Baby Boy, I was blessed to have had the opportunity to spend time in your light, while you were here. You were a bundle of smiles, love and happiness contrary to everything you'd endured and survived through. Your laugh and tenacity to not only endure but thrive was infectious and only part of what made you truly special. Your strength, determination and endurance will forever live in the hearts of those you touched. Fly free and fly high little soldier. May angels light your path toward eternal peace and light for this is not the end but the beginning of forever. Thank you again, for sharing your precious love, giggles and seemingly never ending hugs with me. Thank you, Marley. Thank you... Until I see you again, rest well and peacefully. ❤️🌹*
