I will be there in the clouds, In the birds that fill the air. In the beauty of a fragrant rose, You will

find my memory there. You will feel me in the tenderness, Of a tiny baby's touch. You will hear me if you listen, In the twilight's gentle hush. When your hearts are heavy, And you feel you are alone, Just reach down deep inside of you, For your heart is now my home, I will always be with you, I will never go away. For I live on in your hearts, Forever and a day.
