“ *If there was ever a kind, thoughtful and joyful freind of mine I would have to say it was Marta. I regret what's happened and not knowing about the tragedy until weeks later. It's hard for me to deal with but I rest assured my freind is an eternal spirit of the Divine Creator. She has returned to the creative, loving source that blessed us with her... Party on Marta! “ I knew Martha through her late sister Norma, Norma and I went to school together and Martha attended school with my younger sisters. Martha and I spoke last at an Arts and Crafts fair at the Roswell Adult Center. She loved my tamales so I gave her a dozen and she in return gave me some Christmas cups for my preschool class. We had a good time that day. I remember when we were closing up our booths and getting ready to leave she turned to me with her great big smile and she said "I'll see you again next year" that art fair will be coming up soon and Martha will be greatly missed. God Bless her family!

“ I met Martha while working for Dr. Marty Rogers, she always had a smile she would come in for samples and was always friendly. She seemed to light up the room. She was gone too soon. She is singing with the angels i'm sure.

“ Natalia - I love you and I loved your mom so much! She was always so giving. She was the first one that encouraged me to start singing and sang several duets with me to get me comfortable. Now I sing all the time because of her taking me under her wings to teach me. I was so bless that she sang in my wedding. I will never forget how she learned the song in under 24 hours to make my day special. Tal - I love you so much and I am praying for you. You are a wonderful friend and I my heart is going out to you.

“ I got to know Martha by singing together in the choir. She was friendly. She had a beautiful voice. When she would sing "Amazing Grace", it was beautiful. When we would attend Sunday School class, she told wonderful ideas. We would go to lunch or shopping in Roswell. I enjoyed those times. I'll miss her.
