“ It is with a deep pain in my heart that I just now became aware of Martin having passed away. I had not heard from Martin for quite some time and wanted to check on him after hearing of the recent floods in New Mexico. Martin was a close friend of mine, who I came to know when he lived in Soquel, CA and was taking care of our dear friend, Mr. Humphrey at the time. Martin was such a great person whose big heart was as big as his laugh and smile. Martin devoted his whole life to helping people like Mr. and Mrs. Humphrey. And he always wanted to share his love of life with those who were lucky enough to have known him. I am going to miss you, Martin, but will always think of you as one of my favorite people on this earth. You truly left a legacy on this planet, namely your willingness and commitment to care for others in need. Again, I will miss you so much, but you will always have a place in my heart for you and the great memories of you as a friend. I truly feel honored to have known you and to have been part of your life. May you rest in peace, Martin!. Robert Irons, Placerville, CA.

“ *Martin and my mother, Beverly Walters, were very close friends for 40+ years. I have known him since I was a kid, but had not talked with him in the past few years since my mom passed away in 2016. I have a lot of fond memories of Martin, he was a good soul!*

“ Martin was one in a million. We and Mother Dorothy Klitgord thought the world of Martin. Fond memories of when we would visit Mother when Martin took the whole gang out for dinner, Joe, Carl and Mother and we all sang Happy Birthday. I have lasting memories of how good Martin was to my Mother. She would sit next to him during TV time and smile proudly. Martin always served the best food. His home looked as though it was right out of a magazine - so beautiful and well kept. He was so smart and knew about everything. We sure will miss you.

“ I am so sorry to hear of Martin's passing. Martin was a year or two ahead of me at Hagerman High and I remember him as a very nice guy. Several times we went to Roswell together while we were in school and went bowling together. I will remember Martin fondly and wish his family all the very best. Martin was one of the good guys.
