They say there is a reason.

They say time will heal.

Neither time or reason will change the way I feel.

Gone are the days we used to share,
but in my heart you are always there.

The gates of memories will never close.

I miss you more than anybody knows.

Love and Miss You Everyday

till we meet again.

Always & Forever Love You, Dad!

“ *To the Mendoza family, wow I just happen to check my phone and there i see that my friend Martin passed away. I am truly sorry for your loss, he would always come to my house to see if me and my daughter was okay, the last time i seen him is when he got out of the hospital. God bless his soul. He did not look to good, i told him he needed to get some rest. Martin is the same age as my brother Arthur, we grew up together with Martin and his sisters and brothers. I will surely miss my friend, he would come over and we would watch our Dallas Coyboys games. Crystal your daddy had the biggest heart and he loved you so much, I have never met you but I just know that your daddy had a special place in his heart for you. I am so sorry for the loss of your daddy. God Bless you and the rest of the Medoza family, you are in my prayers.*
