“ *My Condolences to all the Molina family, This was a total shock to me to hear when you got sick and even more shocked when they told me that you passed away. I've know you for alot of years. Haven't seen you in a long while but the times I did need your help you never let me down. Never once did you say you would do something and didn't follow though when you told me. This breaks my heart for your whole family. My heart breaks for your sons nick and Martin (monkey). Just know that if they ever need something they can call me and Daniel and we will always do our best to always help your sons. May you rest in Peace Martin. You will be missed by so many people.*

“ *My condolences to the Molina Family. Martin was a good friend and good guy. Funny too. Loved to hear him talking shut to everyone. He would make me laugh so hard. His passing came as a shock to me since I hadn't seen him in almost 7 years now. But I was so sorry to hear this news. My prayers for comfort and peace go out to the family in your time of need. God Bless you all.*
