“ I would like to convey my deepest sympathies to the Sosa Family. Martin was always a very kind and gentle person. I passed him almost daily driving his little gray car. Martin will be missed by all who knew him. I will be praying for the family while they grieve their loss. May you have peace and comfort knowing that Martin is in Heaven with our Heavenly Father.

I remember Brother when you would call home right before retirement, and you'd tell me, " Hey sis I'm at the truck stop coming in from California, could you fry me 2 over easy eggs and put them in the fridge for me for when I get to mom's, I like them Cold" . I would tell you're gross and he would just laugh. He traveled lightly always had a " Case of Beer" with him. When you see the rest of the family give them all Our Love, Soon to be with Them too. I LOVE YOU BROTHER
