“ Shirley and George, Vanessa and children, you are in our prayers. I loved Marvin so much, if I saw him in the store, it didn't matter what he was doing, he would stop and give me one of those bear hugs. He was an amazing man of God. I pray that the peace that passes all understanding would fill you each today and always when you think of your precious son, husband and father.

“ My condolences go out to all that knew Marvin and to his family. He was such a wonderful person to be around and to know. We shared so many laughs through the years and we did some amazing when we put our minds to it. The first time I seen big worm was in high school and he scared me a little but when we got to know each other through working with TNT and the Unity Center with Bones and Lisa I realized he was a big teddy bear ever since then he was like family to me. When I would make it back to Roswell I would run into him and we would talk like we seen each other the day before but it had really been years. He always made it easy to talk to him anytime I needed somebody to talk to I knew I could go to him and he would be there. I will miss you very much with you gone its like taking a piece of me with you too!
