Our Mother from the day we were each born, was a fierce protector of her children and grandchildren. She raised us to be strong and independent adults. Our Mother while sometimes untraditional lived to make our lives so much better than her own. She loved each of us no matter what we did or what we said. Her life was filled with extreme loss and sadness and she still endured through it all. We are who we are because of her and her love, we will remain strong.

So, she was not only one of the best cooks we ever knew she inspires us to grow and be who we are.

We will love and miss you "Mom", until we meet again.

“ *Mary was a sweet loving friend. I will never forget her kindness toward me the first time I met her over 40 years ago. She was a fantastic cook. I loved her enchiladas. She and John always made me feel special and welcome to their home. They are together again. You did a good job here on earth Mary and will be missed.*
