“ *My heart breaks for the family as I know gramo Mary was the rock. But I also know she raised amazing strong women from daughters to granddaughters and men from sons to grandsons. She welcomed me into the family over 30 years ago and even though many years would go by that I did not see her, she always welcomed me with open arms. Everytime AC would go visit I would ask her if she brought me back some red Chile, and of course the answer was always “no, but I brought me some”! This here is a beautiful family and a tribute to the amazing woman that Gramo was!*

Tio, I'll always remember Pile's laughter, I was under her care while shopping. I tried on so many dresses 👗 and then we had to leave the store, leaving a mess with the salesperson and not buying anything. Anyway, I'll always remember her babies at that time...Marsha and Diane.
I'm sending my sincere condolences to all the family. I'll keep you in prayer.
