“ *Oh my Aunt Mary, I can not express with words how I will miss you. I will miss never hearing you laugh at me and say “open, open, open!” Again! That was your favorite story of me. I fondly remember the days I got to go to the restaurant with you, and the times you taught me to cook in your kitchen! Thank you for calling me and taking the place of my missed phone calls to Gram after she passed. My heart misses you both so very much, but I know you are all rejoicing in the amazing eternal life together again!*
