“ To my sister Helen , we have our differences and we have shared laughter and tears and words but deep inside I have always love you and enjoy our lives as sisters and shared some wonderful times and bad times, and only God knows how much I missed our visits and talks and I will see you again when that time when God calls on me. I love you and I am sorry we didn't give each other the time to say those words I love you. I will always cherish our moments we had together and having you as my sister❤️❤️ Always and always, your sister 🌹🌹
