“ *I love Mig! She was a wonderful person,mother, sister, grandmother,friend and example to others. Mig was so generous, I remember when I first went to live with grandma. I did not have under garments. Mig must have been 10 years old. She very willingly gave up her baby sitting money for me. She taught me how to draw, she would learn things at school,then come home to teach me.Not long before she passed away, she said, how good it made her feel to know that I learned drawing and painting from her. There will be a hole in my heart. I will not have her to talk to any more; until the kingdom comes.*

“ Roy, Jack, Sherry, Judy, Shawn and Family; I am so sorry for your loss, Aunt Mig was quite the lady she will be so missed. Her sense of humor was like no other. The song "glorious" by the Newsboys reminded me so much of her on Sunday. When it came to God she displayed perfectly the chorus "Into your arms, I come running". She certainly had God in her heart. God holds her closely now. With love
Jeanne
